### **School Description**

Cesar E. Chavez High School currently serves close to 1500 students in grades 9-12. The Cesar E. Chavez High School community is committed to empowering students through the realization of the school's vision, promotion of the school's mission, and dedication to the school's Graduation Outcomes which embody the principles that are the foundation of our "professional learning community" and serve as the tenets around which we base our decisions. The high school's curricular emphasis has both a solid foundation in the depth and breadth of California State Standards, the 4 C's of the Common Core State Standards, while maintaining particular attention to the various learning styles and needs represented by all students. Student Graduation Outcomes - also known as the Expected Student Learning Results- are a driving force in curricular development and teaching methodology. The Student Graduation Outcomes are intended to challenge students to graduate College and Career Ready, with skills in Communication and Technology, able to solve real life problems through High Order/ Critical Thinking, and be Socially Responsible with an appreciation for Service Learning (C.C. H. S.).

#### School Mission:

Our school's mission is to provide every student a clean, safe, and orderly environment which will foster maximum academic achievement, technological skills, social awareness, and personal growth. This mission has been realized as Cesar E. Chavez High School has continued to achieve award wining academic success. As further evidence of Cesar E. Chavez High School academic success in bridging the academic achievement gap, in the spring of 2011, CCHS was nominated and then honored with the California Distinguished School Award. In 2012, CCHS was named again as a Title I Academic Achievement Award winner, and a National Title I Distinguished School. In 2009 and then 2011, CCHS was named by U.S. News and World Report as one of America's Top High Schools (Bronze Medal). In 2012, 2014, and 2016 CCHS achieved Silver Medal status as one of America's Top High Schools according to U.S. News and World Report. Although we are proud of recent accolades and accomplishments, the challenge remains to continue innovating, collaborating, analyzing data, and having high expectations with support mechanisms to assist all CCHS students. We are confident that CCHS will continue to be a great school with the support of our parents and our community.

Cesar E. Chavez High School is a Professional Learning Community (PLC), a school where learning and academic achievement are fostered, recognized, and celebrated.

### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level			
Grade Level Number of Students			
Grade 9	461		
Grade 10	387		
Grade 11	309		
Grade 12	347		
Ungraded Secondary	11		
Total Enrollment	1,515		

2017-18 Student Enrollment by Group			
Group	Percent of Total Enrollment		
Black or African American	0.2		
American Indian or Alaska Native	0.0		
Asian	1.0		
Filipino	8.7		
Hispanic or Latino	87.4		
Native Hawaiian or Pacific Islander	0.0		
White	2.3		
Socioeconomically Disadvantaged	89.6		
English Learners	24.3		
Students with Disabilities	7.9		
Foster Youth	0.1		

### A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials				
Cesar E. Chavez High School	16-17	17-18	18-19	
With Full Credential	57	56	54	
Without Full Credential	8	6	8	
Teaching Outside Subject Area of Competence	0	0	0	
Delano Joint Union High School District	16-17	17-18	18-19	
With Full Credential	<b>*</b>	*		
Without Full Credential	<b>*</b>	<b>*</b>	·	
Teaching Outside Subject Area of Competence	<b>*</b>	<b>*</b>		

Teacher Misassignments and Vacant Teacher Positions at this School						
Cesar E. Chavez High School 16-17 17-18 18-19						
Teachers of English Learners	0	0	0			
Total Teacher Misassignments	0	0	0			
Vacant Teacher Positions	0	0	0			

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

<sup>\*</sup>Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### School Facility Conditions and Planned Improvements (Most Recent Year)

### **FACILITIES PROFILE:**

Cesar E. Chavez High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2003. Routine inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff.

#### **FACILITIES INSPECTIONS:**

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Cesar E. Chavez High School took place on August 10, 2018.

### **FACILITIES MAINTENANCE:**

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic (web-based) work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, and special projects. Most of Cesar E. Chavez High School's repairs and maintenance projects are performed by the district's maintenance crew. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

A team of one day custodian, four evening custodians, and three groundskeepers are assigned to Cesar E. Chavez High School for routine maintenance, daily custodial duties, and special events preparations. The assistant principal and lead custodian (site supervisor) communicate daily as needed regarding campus cleaning needs and safety concerns. Custodians are responsible for setting up the cafeteria for meals and activities, keeping restrooms clean and stocked, cleaning classroom and administrative areas, gymnasium cleaning, removing debris and emptying trash receptacles, and addressing minor repairs and maintenance issues. Day custodians inspect restrooms throughout the day as a proactive measure in keeping restrooms fully stocked, safe, and sanitary. Security Officers check restrooms every hour as a component of their daily routine safety procedures.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians, security officers, and student affairs liaisons inspect the campus every morning for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds. Professional training for custodial support staff is provided through 1) computer-based learning system provided by third party risk management and insurance company, 2) through safety meetings, and 3) at targeted training sessions led by highly trained representatives.

### **DEFERRED MAINTENANCE:**

Delano Joint Union High School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting and floor systems.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 8/10/18			
System Inspected	Repair Status	Repair Needed and Action Taken or Planned	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good		
Interior: Interior Surfaces	Good		
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good		
Electrical: Electrical	Good		
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good		
Safety: Fire Safety, Hazardous Materials	Good		
Structural: Structural Damage, Roofs	Good		
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good		
Overall Rating	Exemplary		

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

	2017-18 CAASPP Results for All Students					
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	Sch	ool	District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	65.0	69.0	65.0	64.0	48.0	50.0
Math	32.0	43.0	30.0	36.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)						
Subject	Sch	ool	District State			
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject area of physical education

Grade	2017-18 Percent of Students Meeting Fitness Standards				
Level	4 of 6	5 of 6	6 of 6		
9	18.7	22.7	23.4		

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

210400. 004004 47 04440011 010400 111100 111100011 210110 11110				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	303	302	99.67	68.54
Male	154	153	99.35	62.75
Female	149	149	100.00	74.50
Black or African American			-	
Asian			-	
Filipino	31	31	100.00	83.87
Hispanic or Latino	264	263	99.62	66.16
White			-	
Two or More Races			-	
Socioeconomically Disadvantaged	275	274	99.64	66.42
English Learners	98	97	98.98	35.05
Students with Disabilities	14	13	92.86	15.38
Students Receiving Migrant Education Services	14	14	100.00	57.14

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### School Year 2017-18 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven Number **Total** Percent Percent **Student Group Enrollment** Tested **Tested** Met or Exceeded 42.52 All Students 303 301 99.34 Male 154 153 99.35 39.87 Female 149 148 99.33 45.27 **Black or African American** ----Asian --**Filipino** 31 31 100 58.06 **Hispanic or Latino** 264 262 99.24 40.08 White --------Two or More Races \_\_ 275 273 99.27 Socioeconomically Disadvantaged 42.12 **English Learners** 98 97 98.98 21.65 Students with Disabilities 14 13 92.86 7.69

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

14

100

28.57

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

### State Priority: Parental Involvement

Students Receiving Migrant Education Services

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in Cesar E. Chavez High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process.

Volunteer Opportunities;

- Parent University
- Library
- Fundraisers
- Coaching Sport
- School Advisory Groups
- Academic Culture Club/Alliance for Education
- Booster Clubs
- English Learner Advisory Council (ELAC)
- District English Learner Advisory Council (DELAC)
- Migrant Education Advisory Committee
- Safe Schools Committee
- School Site Council
- WASC Leadership Team

Each of these advisory groups is responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Parents seeking more information about becoming an active member in the school community may contact the principal's secretary at (661) 720-4504.

Cesar E. Chavez High School provides a broad range of activities and events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to attend:

School Events and Activities:

- Athletics
- Back to School Night
- ELAC Meetings
- Family Movie Night
- Music Memorial Concert
- Parent University
- Parent Orientation Night
- Salute to Scholars Night
- Student Performances
- Talent Show
- Title I Meetings

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

"The CCHS Safe School Plan is a living document which is reviewed and updated continuously by administration based on staff input, school/student data, and new guidelines set forth periodically by local police and DJUHSD. Traditionally, any major updates are modified and implemented during the summer and reviewed with staff during the teacher in-service days before the start of the Fall semester. During our bi-weekly Wednesday late starts in the 1st Semester, the Safe School plan was discussed with faculty which included modifications, updates, and the reviewing of major components. The plan was also reviewed and approved by the Safe School Committee and the School Site Council in October of 2018; the 2017-2018 Safe School Plan was approved during the regular Meeting of the Board of Trustees on December 16, 2017. The plan is a comprehensive document that covers a wide range of possible situations of which could be summarized by the following major areas: 1. Daily supervision plan for the safety and security of students and staff. 2. Emergency disaster plans including active shooter and code red, yellow, blue and green lockdown procedures. 3. Evacuation procedures in the event of a fire, flood, chemical spill, or earthquake. 4. Crisis preparedness, management, and resolution. 5. Intervention and prevention strategies including talking to students about death, working with parents, anti-bullying, and elements of a positive school culture. 6. DJUHSD board policies and regulations.

Suspensions and Expulsions				
School	2015-16	2016-17	2017-18	
Suspensions Rate	1.8	1.3	1.2	
Expulsions Rate	0.1	0.2	0.1	
District	2015-16	2016-17	2017-18	
Suspensions Rate	2.8	2.7	1.9	
Expulsions Rate	0.2	0.4	0.6	
State	2015-16	2016-17	2017-18	
Suspensions Rate	3.7	3.7	3.5	
Expulsions Rate	0.1	0.1	0.1	

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School				
Number of Full-Time Equivalent (FTE)				
Academic Counselor	4			
Counselor (Social/Behavioral or Career Development)	0			
Library Media Teacher (Librarian)	0			
Library Media Services Staff (Paraprofessional)	1			
Psychologist	1			
Social Worker	0			
Nurse	1			
Speech/Language/Hearing Specialist	.333			
Resource Specialist (non-teaching)	0			
Other				
Average Number of Students per Staff Member				
Academic Counselor	325			

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
				Number of Classrooms*								
Average Class Size		1-22 23-32 33+										
Subject	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	25.0	28.0	25.0	21	12	20	35	31	31	13	20	14
Mathematics	28.0	28.0	27.0	6	8	11	32	26	28	11	16	18
Science	29.0	28.0	28.0	3	2	4	16	18	16	7	8	12
Social Science	32.0	32.0	31.0	1	1	4	16	13	6	13	16	24

<sup>\*</sup> Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### **Professional Development provided for Teachers**

All teachers hired at CCHS are have met State Credentialing requirements as per ESSA to teach in each of the academic areas. They continue to develop professionally via education classes toward advanced degrees, clear credential classes and the BTSA program, a program that is administered jointly by the CDE and the California Commission on Teacher Credentialing. Teachers who are in the BTSA program participate in professional development that is specifically geared to new teacher needs and concerns. There is also a certificated Staff Mentoring Program and Peer Coaching designed to support new teachers. To address new legislation (SB103), teacher mentors have been designated to work with new teachers to build instructional capacity. In addition, funding has been allocated as part of the SSPSA for ongoing professional development in EDI, Differentiated Instruction, Common Core Curriculum and Instructional Shifts, CPM (College Prep Math), DOK, RIAP, iLit, and SDAIE instructional strategies. Cesar E. Chavez High School is committed to continuing emphasis on staff development, especially as we implement the Common Core State Standards and the Next Generation Science standards during this 2017-2018 school year. The Learning Director is coordinating the assessment and accountability components of our student achievement plan. Over the last several years through the TIIG program, Title I, Title II and other programs, these District efforts have accomplished the following:

Staff development has been designed to help staff work together as departments to align their courses to State Academic and Performance (Content) Standards in ELA and ELD, Content standards in History-Social Science, Science Standards found in the new NGSS, and Common Core State Standards, develop curriculum and assessments, and develop instructional practices that address key components of the CCSS. The purpose of staff developments are to maximize student learning and academic achievement.

The staff meets every other Wednesday morning during PLC time to desegregate data, adjust curriculum, identify instructional best practices, and review and re-write current assessments so as to align them to CCSS. The PLC time also serves to help monitor students' progress, particularly in English, ELD Language Arts, Math, Science, and Social Science. Second, as we find more local evidence that particular school programs or instructional practices are effective in improving student achievement, the staff is trained in those practices and/ or programs so that implementation is broader and more consistent.

Staff development activities are also based on professional needs. As we implement the NGSS and the Common Core State Standards, CCHS teachers participate in site and District level cohort meetings and professional development opportunities meant to build professional capacity, calibrate assessments and curriculum, increase DOK level questions on assessments and activities, align curriculum, instruction, and assessments to the NGSS and Common Core State Standards.

There is a collaborative process involved in assisting and supporting teachers in research based instructional practices like Explicit Direct Instruction (EDI), Strategically Designed Academic Instruction in English (SDAIE), Discrete Language Skills Acquisition Instruction (ELD - Kevin Clark), CPM (College Prep Mathematics), Literacy(Deep Reading, Text Annotating and Critical Writing), and Carolyn Coyle's Differentiated Instruction, methodologies and consultants the District has invested considerable staff development time and money in.

For instance, we have found that many of our technology-driven efforts are effective at improving student performance; however, they require more specialized training of our staff. For staff members who have limited capacity in the use of computer hardware and software for instruction, they are provided with periodic professional development through an on site IT Coach/Resource Teacher, District IT trainers (for Aeries, Office365, OneNote, Schoolagy, iLit, etc.), and outsourced consultant/trainers from Vernier, Illuminate, Edgenuity, Revolutions, etc.. Teachers also have access to an on site Tech that helps troubleshoot real-time problems as they arise. In addition, given our diverse student population, many of our teachers have participated in Specially Designed Academic Instruction in English ("SDAIE") and Cross-cultural Language Academic Development ("CLAD") training.

Through Title I funds, this year we have added 2 periods (1 per teacher) for two Resource Teachers, one for Math and one for English Language Arts. Both teachers will help CCHS close the achievement gap in Math and English by:

- \* Conducting Peer Observations with follow up Feed-Back/Forward Conferencing
- \* Modeling Lessons
- \*Adjusting curriculum/ assessments based on data.
- \*Helping teachers effectively implement technology (HPs, Tablets, WiFi projectors)
- \* Helping teachers incorporate the use of OneNote and Office 365

Training in Explicit Direct Instruction is ongoing as recent as January 8, 2018 with emphasis in Lesson Objectives, Checking for Understanding, and meeting the needs of English Learners. By using real content examples, this institute showed teachers different ways to improve literacy skills and vocabulary building using grade-level concepts and addressing the new English Language Development Standards, the Next Generation Science, the CCSS mathematics standards, and the Mathematical Standards of Practice.

Recent professional development has also included Depth of Knowledge (DOK), an effort to increase high order critical thinking through use of specific questioning during checking for understanding, on student activities, and on assessments. Ron Rohac training on critical thinking activities, deeper questioning and checking for understanding; this training's emphasis was on strategies, resources, technical support and coaching for teachers working with ELL students and/or other students that are struggling in the content areas of mathematics and science. Training focuses on vocabulary building activities and reading strategies for both mathematics and science with additional work on activities that engage the learner and meaningful warm-up activities. Another is Get Focused-Stay Focused Career Choices, training on Career Choices curriculum that uses writing and critical thinking and research so students are able to complete a 10 year plan that answers: Who am I? What do I want? and How do I get it? RIAP 's the two main goals are to help students (1) achieve a level on the joint California Standards Test and CSU Early Assessment Program that would exempt them from the English Placement Test or (2) demonstrate proficiency on the CSU English Placement Test (EPT) by scoring above 150 with no need for future reading and writing remediation. Teachers are also provided with professional development on the use of Vernier Probes for Science, and CPM Math. In the past teachers had the opportunity to participate in Differentiated Instruction workshops with Carolyn Coil. Through this opportunity, teachers have not only learned to readily assist the students in the general population, but also received training in how to address the needs of English Learners.

The District will continue to employ and utilize consultants who provide information and training on curriculum, instruction, assessments, observation/evaluation instruments for teachers, DOK, literacy instructional strategies, key instructional strategies for second language acquisition and sheltered instruction, and knowledge of the ELD/ELA California State Standards. These efforts continue to be funded by Title III monies as well as Title I

For the 2018-2019 school year, CCHS will continue with a focus on providing teachers both new and experienced with professional development in Explicit Direct instruction to enhance lesson delivery and improve student learning. Additionally, with a recent increase in new staff there is a need for a re-introduction into Thinking Maps methodologies, as well as essential collaborative practices.

FY 2016-17 Teacher and Administrative Salaries						
Category	District Amount	State Average for Districts In Same Category				
Beginning Teacher Salary	\$42,451	\$48,783				
Mid-Range Teacher Salary	\$67,693	\$80,177				
Highest Teacher Salary	\$99,550	\$104,535				
Average Principal Salary (ES)	\$0	\$128,506				
Average Principal Salary (MS)	\$0	\$154,350				
Average Principal Salary (HS)	\$137,953	\$133,486				
Superintendent Salary	\$185,784	\$181,868				
Percent of District Budget						
Teacher Salaries	27.0	32.0				
Administrative Salaries 6.0 6.0

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries							
Lovel	Exp	Average					
Level	Total	Restricted	Unrestricted	Teacher Salary			
School Site	11,579.68 4,556.09		7,023.59	85,761.38			
District	District + +		7,505.16	\$66,905			
State + +		\$7,125	\$79,496				
Percent Diffe	erence: School	-6.6	24.7				
Percent Diffe	erence: School	-1.4	7.6				

Cells with ♦ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### **Types of Services Funded**

The following programs and services are available at CCHS specifically to support and assist students bridge the academic gap.

- \* After School Tutorial: Cesar Chavez High School has a department-based After School Tutorial program. Tutoring is available for students in ELD, English, Mathematics, Science, and Social Studies. In the After School Tutorial program, students receive: tutorial instruction relating to departmental curriculum standards; individualized tutoring for specific needs; and, additional opportunities to take departmental Formative Assessments of Common Core State Standards (FACCS).
  - Targeted Almost Proficient (TAP) program. Originally TAP was initiated to provide targeted instruction and remediation for EL students, in particular, and any student who was found to be near proficient/near passing on the 9th grade portion of the California Standards Tests (CST) in Mathematics and English-Language Arts (ELA). All EL students were monitored for academic progress throughout the year, and a sub-group of these students, identified through multiple diagnostic measures, were strategically targeted for an intense 10 week after school program that focused on mastering CAHSEE standards.
  - Currently, the TAP program has evolved to meet the changing nature of accountability under the new Common Core State Standards. Adding to already administered STAR Reading Assessments (diagnostic tool used to gauge the reading level of every 9th grade student with subsequent follow up exams that track student growth in reading and comprehension), we include SBAC style diagnostic exams at the end of the first semester to identify students needing extra academic assistance in Literacy (reading, writing and critical thinking). Those students are then placed in a TAP-like program that aims to positively shape the academic culture by placing strategic focus on raising students' expectations to achieve proficiency on the SBAC. This effort is supported through the establishing of specific incentives and special recognition awards for high achievement and growth.
  - Mandatory Academic Afterschool Study Hall (MAASH): Students who fail 3 or more classes during the previous 5 week grading period are assigned MAASH. Students are given time and assistance (tutorial services are provided by the teacher and several AP student tutor-volunteers) in completing daily homework assignments or the assigned daily reading assignment for the Titan Accelerated Reader Program. Students can exit at the next 5 week grading period if all grades are C's or better AND if the student submits a weekly routing slip showing, 90% attendance, and acceptable daily behavior. Together with the teacher, a counselor helps monitor student attendance and progress.
  - The Migrant Education Program's objective is to assist the sites by providing our migrant students with the resources/services necessary to earn a diploma. One of the most important services is the efforts of the District Migrant Resource Counselor. She performs her duties during zero and 7th periods, working out of the Migrant Office. She often visits the sites to have students pulled out at the end of 6th period so she may meet with them after school. She develops Individual Learning Plans that supplement the migrant students' regular school day schedules and consults with site counselors as needed. She meets with every migrant student multiple times per year, sometimes on a weekly basis depending on their progress. She also contacts parents on a regular basis to keep them informed and provides progress updates. In collaboration with MEP staff, she recruits migrant students to attend leadership camps and college readiness camps/visits throughout the school year.
  - Cohort Groups: These are regular meetings (PLC Wednesdays of groups of ELD, English, Math, Science, Social Studies, and Special Education teachers) which are aimed at providing support for implementing the standards-based scope/sequences and FACCS for all courses in the academic core. These cohort meetings facilitate alignment efforts, consensus building, problem-solving, mentoring, data analysis, refinements/revisions of materials, and improved instructional practices. These cohort activities are facilitated by the designated resource teacher(s) for each cohort, with support from district and site administration.

- Spring-Summer-Early Fall Frosh Diagnostic and Placement Exams: All 9th grade students take comprehensive placement exams in ELA,
  Writing and Math as well as the already mentioned STAR Reading Assessment that identifies reading and comprehension level with
  subsequent follow up to track growth. Students identified as English Learners also take the CELDT (soon to be ELPAC) exam. These exams
  help identify deficiencies in academic skills that help better coordinate intervention efforts, including placement in the correct intervention
  classes, after-school tutorials, math support, etc.
- Summer School Intervention: Students entering a new school and new district need extra support and exposure in order to adjust well to the change; this need was identified in a WASC self study. Though presently limited due to budgetary constraints, it is hoped that as funds become available summer school interventions will expand in coming years. They include:
- Summer Bridge is a jump-start effort for our incoming 9th graders which focuses on English-Language Arts and math skills. These efforts to provide early academic assistance and acceleration include "Summer Packets" meant to promote academic continuity and acceleration and ease the transition to High School level rigorous course of study. Students who participate or are enrolled in Summer Bridge classes are scheduled in such a manner to address their individual barriers that influence academic success. Instructional aides provide students with individual support and help students to utilize other software (i.e., NewsELA, Schmoop Kahn Academy, Reading Plus, Lexia and Orchard, iLit, Accelerated Reader (AR360) RevolutionK12, SmartPrep). Also part of this effort is the Career Readiness course (STDV) which offers dual enrollment college credits through Bakersfield College. This class is used as the foundation for various career pathways, or integrated into such academic courses as English and math. The goal is to enable students to take ownership of their pathway towards college and career readiness. Although they are flexible, the standards provide a scope-and-sequence series of learning objectives that lead to a personalized plan for students' educational and career aspirations. Teachers who incorporate the standards in their classrooms will have the formula for a class that culminates with each student developing a comprehensive 10-year educational and career plan.
- Incoming Freshmen Orientation Night in late Summer provides incoming students with a head start in preparing for high school. While being given their course schedule, parents and students visit the CCHS campus and are given important information regarding school programs. They are given the opportunity to sign up for clubs, visit with Academic Decathlon or FBLA, and even inquire about other school wide interventions and efforts.
- As already mentioned, Summer Packets are provided to students for English and math. The packets along with necessary materials, are
  distributed to students and need to be returned to their respective English/Language Arts & Mathematics Instructors the first week of class.
  We have found this effort to be extremely effective in maintaining academic continuity and minimizing the need for extended review of
  skills already taught in previous grade levels.
- Computer Assisted Instruction (CAI) and Learning Software: CCHS has made learning software available in Reading, Language, and Math. Computer-based instruction is effective because it provides a means to increase individualized instructional time for students within the confines and constraints of a high school setting. Research that has come out of the Congressional Office for Technology Assessment (OTA) supports computers as tools to increase student learning. However, the OTA and other researchers caution that the key to good use of computers in the classroom is teacher training in computing and classroom management as well as the availability of support staff for teachers (OTA 1995; Rotondo, 1992; Ellison 1989; Forrest 1993). Current programs and software include: Illuminate, Accelerated Reader and AR360 by Renaissance Learning, RevolutionK12 and SmartPrep, Edgenuity Credit Recovery, Reading Plus, ACCELUS, Schoolagy, iLit, Office 365, OneNote-OneClass, KAHN Academy, Paxon-Patterson, Microsoft Office, Apple Movie Maker Final Cut Pro, etc.
- Instructional Aides: Funded from Title I and Special Education, aides provide assistance to students enrolled in English, Math Support, and ELD classes.
- Resource Teachers: Funds from Title I have provided identified department-level cohort leaders to support their teachers in implementing
  the standards-based data analysis scope/sequences and FACCS. Additional resource periods were added as we expanded our course
  offerings.
- Translated materials and workshops for parents: We provide numerous workshops, notices, and materials to parents in targeted languages.
   In the recent past, these workshops focused on the California High School Exit Exam, California content standards, and graduation requirements. Currently these workshops have expanded to include information on colleges, financial aid, intervention programs, LCAP, and CTE. The school nurse has explained the barriers to learning that arise from health, vision, and hearing problems. The meetings are held in Delano, Richgrove, and Earlimart. (LCFF, Title I, Title III)
- Nurse, Psychologist: With increased screening of our students, we have been able to uncover many health barriers that were not previously being addressed by the school system. Once these students are identified, we can get them targeted assistance in various programs.
- Technological Support to Classroom Teachers: Since instructional software is being distributed school-wide by LAN and/or WiFi, assistance for teachers in the classroom is a must. An on site IT-Technician is available to address and troubleshoot problems as they arise. A certificated Tech Coach Resource Teacher is available for teachers for professional development in the use of software and programs. The district IT department also provides technical assistance for telecommunications and for the network in general.
- Campus Discipline and Security Liaison: Cesar E. Chavez High School utilizes two Discipline Liaisons who work with students and families on
  attendance/discipline problems. But in order to ensure that more of our low-performing students get to school, we hope to expand services
  through a Teacher On Special Assignment (TOSA); this position would be the Certificated Administrative designee to assist in efforts in

- remediation of truancy issues as well as make community contacts to assist our parents and to identify any barrier that is preventing the student from attending school.
- Coordinated Services Council: Currently on hold due to budgetary constraints, the Nurse, Psychologist, Community Discipline Liaison, and Administration meet with county agencies to assist parents and students with barriers that lead to low performance and/or poor attendance.
- Writing Support classes: All 9th grade students and 10th grade CP/ Gen students are enrolled in a Writing Support classes. These classes
  offer curriculum designed to provide foundational grammar, writing, and reading skills necessary for achievement and success in all core
  and co-curricular areas or subjects
- Targeted English and Applied Math Classes These are intervention classes for 10th & 11th grade students that have gaps in their skills that would make it difficult for them to score at or above standard on the SBAC exam. The curriculum is designed to close the gaps that exist.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)						
Cesar E. Chavez High School	2014-15	2015-16	2016-17			
Dropout Rate	2.2	3.7	1.3			
Graduation Rate	95.9	94.7	95.5			
Delano Joint Union High School District	2014-15	2015-16	2016-17			
Dropout Rate	2.8	2.1	2.7			
Graduation Rate	96.2	96.4	93.4			
California	2014-15	2015-16	2016-17			
Dropout Rate	10.7	9.7	9.1			
<b>Graduation Rate</b>	82.3	83.8	82.7			

Career Technical Education Participation					
Measure	CTE Program Participation				
Number of pupils participating in CTE	518				
% of pupils completing a CTE program and earning a high school diploma	26%				
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100%				

Courses for University of California (UC) and/or California State University (CSU) Admission					
UC/CSU Course Measure Percent					
2017-18 Students Enrolled in Courses Required for UC/CSU Admission	97.8				
2016-17 Graduates Who Completed All Courses Required for UC/CSU Admission	57.7				

Where there are student course enrollments.

2017-18 Advanced Placement Courses					
Subject	Number of AP Courses Offered*	Percent of Students In AP Courses			
Computer Science	0	•			
English	5	•			
Fine and Performing Arts	0	•			
Foreign Language	3	•

Students with Disabilities	68.2	77.1	67.1		
Foster Youth	66.7	66.7	74.1		

### **Career Technical Education Programs**

### **WORKFORCE PREPARATION:**

Cesar E. Chavez High School's career technical education programs offer a diverse range of opportunities for students to get a head start on their future. Counselors meet with students at least annually to evaluate individual progress in meeting graduation requirements and vocational education needs. Sophomores meet with their counselors individually twice throughout the year to develop an Individual Learning Plan which identifies their unique academic plan to meet post-secondary and/or career goals upon graduation.

All career technical education courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Students are required to pass one career-related course (Computer Literacy) to fulfill a portion of their graduation requirements.

Some career education courses fulfill A-G university entrance requirements. A variety of career exploration resources and interest surveys are available in the career center as well as a component of coursework in some classes, particularly College and Career Readiness.

The district collaborates with Future Farmers of America and FHA-HERO to promote the development of personal growth as well as job skills. Cesar E. Chavez High School sponsors the FHA-HERO (Future Homemakers of America) club or students interested in developing and refining skills to prepare for their roles as family members, workers and citizens.

All freshmen students enroll in our College and Career Readiness class, which guides students through the development of a ten-year plan.

Regional Occupational Program (ROP) are offered off campus through he North Kern Vocational Training Center (NKVTC). ROP courses are designed to prepare high school students (16 years and older) for entry-level employment, upgrade current job skills or obtain more advanced levels of education. For more information on career technical and regional occupational programs, students may contact the high school's career center or contact the North Kern Vocational Training Center at (661) 725-4180 or through www.nkvtc.org.

### **CAREER PATHWAYS INDUSTRY SECTORS:**

Building and Construction Trades: Residential and Commerical Construction Education, Child Development & Family Services: Education Pathway Marketing, Sales & Service: Entrepreneurship/Self-Employment

Engineering and Architecture: Architectural Design

Hospitality, Tourism & Recreation: Food Service and Hospitality

Health Science & Medical Technology: Patient Care

Fashion and Interior Design: Fashion Design and Merchandising

Arts, Media & Entertainment: Performing Arts; Production and Managerial Arts

### **CAREER TECHNICAL EDUCATION COURSES:**

- Architectural Drafting/NVKTC ROP
- Auto Body
- Auto Technology/NKVTC ROP
- Foods/Nutrition
- Computer Literacy
- Consumer Skills
- Engineering Drafting/NKVTC ROP
- Entrepreneurship
- Fashion Design
- Apparel
- Health Occupations
- Medical Receptionist/NKVTC ROP
- Multimedia
- Nurse Assistant/NKVTC ROP
- Office Practice
- Parent Lab/PACT
- Parent Skills/PACT

- Personal Finance
- Technical Drafting/NKVTC ROP
- Technical Drafting
- Video Production
- Education Theory
- Education Practice
- Building Skills I
- Building Skills II
- Medical Terminology
- Chamber Adv Choir
- Choir
- Advanced Choir
- Band
- Varsity Band
- lazz Band
- Theater Production

The Career Technical Education Program table in this report shows the total number of students participating in the school's vocational education and regional occupational programs and their completion rates. For more information on career technical programs and ROP, please contact the high school's career center or visit the state's career technical webise at www.cde.ca.gov/ci/ct.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
